

Professional Geologist/Engineer/Senior Project Manager

Location: Springfield, IL

Company: AEC, LLC

Job Type: Full-Time

About the Position:

AEC, LLC is currently seeking a qualified and experienced Professional Geologist or Engineer to join our Springfield, Illinois office as a Senior Project Manager. The ideal candidate will possess strong technical expertise, leadership skills, and a proven track record in managing environmental projects and multidisciplinary teams. Professional licensure in the State of Illinois is required.

Key Responsibilities:

- Plan, coordinate, and oversee subsurface soil and groundwater investigations and remediation activities
- Prepare and manage project plans, budgets, and technical proposals
- Provide strategic input and support business development initiatives
- Apply a thorough understanding of Illinois environmental regulations (e.g., LUST program)
- Supervise and mentor junior staff, fostering a collaborative and productive team environment
- Perform technical data analysis and prepare high-quality technical reports
- Conduct occasional travel to project sites within Illinois

Qualifications:

- Active Professional Geologist (PG) or Professional Engineer (PE) license in Illinois
- Significant experience in environmental consulting and project management
- Strong written and verbal communication skills
- Demonstrated experience with Illinois EPA regulations and environmental programs
- Proven ability to lead teams and manage client relationships

Compensation & Benefits:

We offer a competitive compensation package that includes:

- Competitive base salary (commensurate with experience)
- Paid time off (PTO)
- Health, dental, and vision insurance
- Disability and life insurance
- SIMPLE IRA retirement plan
- Career development support and growth opportunities
- A collaborative and team-focused work environment

Join our dedicated team of environmental professionals and make a measurable impact in protecting and restoring Illinois' natural resources.

To Apply:

Please submit your resume and cover letter detailing your qualifications and interest in the position to hr@creekrun.com.
